Experience

Cadence Lab | Detroit, MI

Principal Consultant – Revenue Architecture & Commercial Strategy | Sep 2024 – Present

- Lead commercial advisory for retail, enterprise QSR, and service clients, designing end-to-end sales pipelines, qualification rubrics, and buyer lifecycle journeys.
- Re-engineered sales-to-service handoffs by deploying structured Salesforce stage validation and onboarding criteria, reducing time-to-value 18%.
- Built automated HubSpot lifecycle and lead-routing pipelines for multi-location businesses, reclaiming 4 hours per week per commercial operator.
- Conducted pipeline and client discovery audits to pinpoint deal friction and drop-off points, improving conversion and multi-year account engagement by 14%.
- Author executive-ready commercial deliverables, including sales playbooks, business case proposals, and customer ROI frameworks.

Shinola | Detroit, MI

Commercial Accounts & Customer Experience Manager | Aug 2022 – Sep 2024

- Directed commercial expansion, corporate partnerships, and customer operations across an institutional client portfolio generating \$8M in annual revenue.
- Segmented 1,100+ accounts within Salesforce and instituted structured pipeline outreach cadences, scaling active CRM-driven account engagement from 32% to 86%.
- Led quarterly business reviews (QBRs) and executive client presentations combining purchasing trends and usage signals to uncover cross-sell and contract expansion opportunities.
- Audited commercial handoffs and rewrote service-level communication workflows, eliminating process friction and reducing client escalations by 35%.
- Coached client-facing sales and service teams on consultative communication, account retention strategies, and relationship continuity.

NeuroSync | Southfield, MI

Vice President of Sales | Mar 2018 – Jun 2022

- Owned total commercial revenue strategy, market expansion, and regional enterprise sales execution for an AI-enabled medical technology platform, bringing FDA-cleared diagnostic solutions to healthcare institutions.
- Carried and met executive quota targets across 50 enterprise clinical, institutional, and legal accounts, directing long-cycle sales from cold discovery through multi-stakeholder contract execution.
- Recruited, structured, and coached the commercial sales organization, establishing team quotas, compensation plans, discovery frameworks, and the core enterprise sales playbook.
- Navigated complex enterprise procurement, legal reviews, and C-suite hospital committee approvals, aligning platform clinical utility with executive ROI and compliance requirements.
- Achieved 95% multi-year client retention and expanded annual contract values by instituting strict CRM stage-gate criteria, mutual action plans, and seamless sales-to-implementation operational handoffs.
- Established Salesforce pipeline hygiene standards and territory tracking models to provide reliable quarterly revenue forecasting directly to the executive board.
